Yale, the "Warrantor", extends the following LIFETIME LIMITED WARRANTY to the original purchaser of Yale Real Living™*, Yale Assure Lock, YH Collection™ from Yale®, New Traditions® from Yale®, Yale Edge Series®** and Interconnected Series (herein the "lockset" or "locksets"):

*Electronic components warranted ONE (1) YEAR

**Yale Edge Series components warranted ONE (1) YEAR finish & FIVE (5) YEAR mechanical operation

1. MECHANICAL PARTS & FINISH.

Yale warrants to the original purchaser of the locksets manufactured by it to be free of defects in material and workmanship as long as the consumer (as the term "consumer" is defined under United States Code Section 2301(3)) occupies the residential premises upon which the lockset was originally installed. If, after initial installation of the lockset, any of the mechanical parts or the finish should become defective, the Warrantor will repair or replace the locksets, in accordance with this Limited Warranty.

a. When the lockset has been used for multi-family, commercial, institutional, industrial or other installations other than single-family dwellings, the mechanical parts warranty is reduced to THREE (3) YEARS and the finish warranty is reduced to ONE (1) YEAR.

b. The warranty on the replacement lockset will be limited to the unexpired term of the original warranty.

2. CONDITIONS AND EXCEPTIONS.

This Limited Warranty shall apply only when the lockset is properly installed in accordance with local codes, ordinances and regulations, the printed instructions provided with it and good industry practices. THIS WARRANTY DOES NOT COVER defects caused by: modification, alteration, repair or service of the lockset by anyone other than Warrantor or an authorized designee of Warrantor; physical abuse to, or misuse of, the lockset or operation of it in a manner contrary to the accompanying instructions; shipment of the product to anyone other than Warrantor for

service; improper installation; acts of God; fire; flood; casualty; failure to exercise normal maintenance; for the consequences of uses for which locksets were not designed or designated, or for defects caused by the use of paints, solvents or other chemicals which come in contact with the lockset. THIS WARRANTY DOES NOT COVER scratches or abrasions. THIS WARRANTY DOES NOT APPLY to locksets or component parts of locksets that were not originally manufactured by Warrantor. THIS WARRANTY SHALL NOT APPLY TO SUBSEQUENT OWNERS.

3. SERVICE AND REPAIR EXPENSE.

Under this Limited Warranty the Warrantor will provide only a replacement lockset or a part of it. Warrantor will pay reasonable shipping costs for surface transportation only for locksets returned to Warrantor's Customer Service Department. Warrantor will ship replacement parts under this Limited Warranty at its expense by surface transportation only. Any special handling, express or expedited service or different method of transportation shall only be provided at the request and expense of the purchaser of the locksets. However, if warrantor determines that a lockset does not qualify for repair or replacement under the applicable Limited Warranty, Warrantor will notify the consumer of the estimated costs of repair or replacement and obtain the consumer's authorization and agreement to pay actual repair or replacement costs before proceeding with non-warranty repair or replacement. Warrantor shall have no liability to pay any costs for repairs performed by anyone other than Warrantor or its designee, unless in each instance Warrantor has given written approval for such repair. Warrantor shall not be responsible for any costs incurred for the removal or reinstallation of locksets covered by this Limited Warranty.

4. LIMITATION ON IMPLIED WARRANTIES.

ANY EXPRESS WARRANTY NOT PROVIDED IN THIS LIMITED WARRANTY, AND ANY REMEDY FOR BREACH OF CONTRACT THAT, BUT FOR THIS PROVISION, MIGHT ARISE BY IMPLICATION OR OPERATION OF LAW, IS EXCLUDED AND DISCLAIMED. THE IMPLIED WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE ARE EXPRESSLY LIMITED TO THE DURATION OF EACH EXPRESS WARRANTY PERIOD.

a. Should the locksets be considered a consumer product as may be covered by the Magnusson-Moss Federal Warranty Act, please be advised that some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

5. CLAIM PROCEDURE.

To obtain performance of any obligation under this Limited Warranty, you must contact: Yale Locks & Hardware, Customer Service Department, 225 Episcopal Road, Berlin, CT 06037 USA, Tel 1-800-438-1951, Fax 1-800-338-0965.

a. The Warrantor will only honor replacement with an identical or similar lockset or parts of it which are manufactured or distributed by the Warrantor.

b. Customer service department hours are between 8:00 am and 4:30 pm EST, Monday through Friday, except holidays.

THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION ON THE FACE OF THIS DOCUMENT. NO OTHER EXPRESS WARRANTY HAS BEEN MADE OR WILL BE MADE ON BEHALF OF THE WARRANTOR WITH RESPECT TO THE LOCKSET OR THE INSTALLATION, OPERATION, REPAIR OR REPLACEMENT OF THE LOCKSET. THE MAXIMUM LIABILITY OF YALE HEREUNDER IS LIMITED TO THE PURCHASE PRICE OF THE LOCKSET. UNDER NO CIRCUMSTANCES SHALL YALE BE LIABLE TO PURCHASER OR ANY OTHER PERSON FOR ANY SPECIAL OR CONSEQUENTIAL DAMAGES, WHETHER ARISING OUT OF TORT, BREACH OF WARRANTY, BREACH OF CONTRACT OR OTHERWISE.

a. Should the locksets be considered a consumer product as may be covered by the Magnusson-Moss Federal Warranty Act, please be advised that (i) some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you, and (ii) this Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

General Warranty:

Rockwood Manufacturing Company {"Rockwood"} warrants to purchasers of Rockwood Products sold in the United States of America that its products when properly delivered, installed and maintained, under normal use and service conditions, will be free from defects in material and workmanship for a period of one year from the date of delivery. Because of variations in atmospheric and climatic conditions, Rockwood does not warrant that its products will maintain a "like new" appearance for any length of time, so this warranty does not extend to the appearance of Rockwood's products. Rockwood shall have no responsibility other than the repair or replacement of defective products.

Purchasers should contact Rockwood upon receipt of any product claimed to be defective. If an in-plant inspection is necessary, purchasers should obtain a Return Goods Authorization and then send the product freight paid to Rockwood. If, upon inspection, the product is determined by Rockwood to be in violation of this warranty, Rockwood will repair or replace the defective product promptly.

There are no other express or implied warranties of Rockwood's products.

THE FOREGOING WARRANTY IS IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED. IN NO CIRCUMSTANCES WILL ROCKWOOD BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OR SALE OF ITS PRODUCTS OR ARISING OUT OF A BREACH OF ITS WARRANTY OF ITS PRODUCTS.

The foregoing limitations and exclusions are intended to be effective to the maximum extent of the law.

We warrant our products against defects in workmanship and materials for a period of one year, as follows:

1. There are no warranties, express or implied, which extend beyond those described herein, and there is no implied warranty or merchantability.
2. If our products should prove to be defective, our only responsibility will be to either repair or replace the defective item(s), and we will have no liability or obligation for any damages of any kind beyond such repair or replacement.
3. Our obligation to repair or replace any defective item terminates one year after the product has been delivered by us to the customer, and also terminates at any time anyone other than our company performs any work of repair, service, or replacement on the item without our prior written consent.
4. We assume no liability to pay any costs of labor or material for repair, service or replacement of any Curries product which has been incurred by anyone other than us.
5. Curries is committed to providing the highest quality products and services to its customers as possible. Errors can occur on occasion.
6. We request our distributors to act as "final" quality control on our hollow metal. A simple double check procedure by an assembly person prior to modifying a door or welding a frame should be performed on every unit of product that leaves a distributor's place of business. This simple action can prevent a considerable amount of potential field problems.

TOLERANCES

1. Stile, rail and show-through (telegraphing) on doors shall not be considered a defect unless the faces of the door vary from a true plane in excess of 1/100 inch in any three-inch span.
2. Warp shall not be considered a defect unless it exceeds 1/4” in the plane of the door itself. Warp is any distortion in the door itself, and does not refer to the relation of the door to the frame or jamb in which it is hung. For doors 1-3/4” or thicker, warp will not exceed 1/4” in doors 3’-6” x 7’-0” or smaller; nor will it exceed 1/4” in any 3’-6” x 7’-0” section of larger doors. For doors less than 1-3/4” thick, warp will not exceed 1/4” in doors 3’-0” x 7’-0” or smaller. Warp is measured by placing a straightedge on the concave face and determining the maximum distance from straightedge to door face. Warp tolerances are further subject to the warp exclusions set forth below.
3. Action on any claim for warping or for telegraphing may be deferred, at the option of VT, for a period of time not to exceed 12 months from the date of claim. If a door has been installed prior to such claim, the door must remain in the original hung installation during the period of deferment to permit conditioning of the door to humidity and temperature.

EXCLUSIONS

1. Unsatisfactory service or appearance caused by failure to follow the “Handling, Job Finishing and Installation Instructions” set forth below.
2. The appearance of field finished doors.
3. The appearance of doors with high gloss, transparent, or opaque finishes; or otherwise unorthodox finishes.
4. Natural variations in the color, texture, character or cut of the wood.
5. The warranty against warp does not apply to the following:
 - a. Doors with different face materials or veneer grain configurations on opposite sides of the door.

- b. Doors that are improperly installed or do not swing freely.
 - c. Warp on doors less than 1-3/4" thick and larger than 3'-0" x 7'-0".
 - d. Appliques on one face of the door only, creating an unbalanced condition.
 - e. Applied mouldings exceeding 3-1/2" wide or covering more than 25% of the door face.
6. This warranty does not cover doors with:
- a. Cutouts for lights (lites) and/or louvers, any edge of which is nearer than 5" to any edge of the door.
 - b. Cutouts having less than 3-5/16" on non-rated & 20-minute fire doors, and less than 5" on 45-, 60-, and 90-minute fire doors between adjacent cutouts for unit locks, closures, or other hardware cutouts on flush doors; and cutouts having less than 1-1/2" on stile and rail doors and on non-rated SCL core flush doors.
7. Cracking of high pressure decorative laminate faced doors with openings cut by other than the manufacturer or its authorized representative. Radius of 1/4" at corners of openings must be maintained.
8. The manufacturer's warranty applies to any accessories supplied by VT and are not covered by this warranty.
9. Doors altered by others.
10. Normal wear and tear, including wear-through of the finish, or deterioration for reasons other than material and workmanship of the door itself.
11. Incompatibility of hardware with a particular door construction.
12. Doors where self-tapping or combination metal/wood screws are used to attach surface-applied hardware.
13. Interior doors used in an exterior application. An exterior opening is defined as an opening that cannot be climate controlled for temperature and/or humidity on both sides. This warranty applies only to the following door types for exterior use: SCL, Stile & Rail non-rated, and bullet resistant Doors and is limited to three years from the date of original installation. All other exterior doors are not warranted.
14. Acoustical doors requiring hardware other than hardware specifically tested and included in VT's test reports.
15. In order not to induce warp or excessive deterioration of your door, avoid using dark stains or paints on the door surfaces exposed to direct sunlight. Doors painted any dark color with exposure to sunlight will not be warranted.
16. Placement quantity or size of knots that are manufactured from any "knotty" species are not covered under the terms of this warranty.
17. Doors machined for corner mortised flush bolts unless installed with metal edges or flush bolt cap.
