I think a \$25/Sqft turnkey on synthetic stone would cover you.

We would have to price out on site once scope is clear to see if any other cost would need to be added.

Thank you,

Adrian Cordova

Sorry!.

This is the front of the building. Some doors and windows are moving. Just a budget number for stonework.

I've double checked and not seeing any elevation pictures.
Can you forward this directly to me.

Thank you,

Garnett,

See attached is proposal for the project above.

Please let me know if the following is correct and if any changes are needed.
Hard to tell if walls are actual CMU. If no masonry work is required, please disregard this proposal.

Thank you,

Adrian Cordova
